In the not too distant future there is an academy to train, educate and house the next generation of Power Rangers. The Earth has opened its doors to allow alien beings from distant planets to co-inhabit with humans. Peacefulness is short lived as a planet-conquering alien force turns its destructive intention to Earth... And all that stands in the way of Earth's demise and fall of our universe is the newest breed of Power Rangers: S.P.D.

En un futuro no muy lejano hay una academia para entrenar, capacitar y albergar a la nueva generación de Power Rangers. La Tierra ha abierto sus puertas y permite que seres extraterrestres de lejanas planetas convivan con los humanos. La paz dura poco: una fuerza extraterrestre a la conquista de planetas dirige sus planes destructivos contra la Tierra... y lo único que se opone a la devastación de la Tierra y a la desaparición de nuestro universo es la nueva raza de Power Rangers: S.P.D.

Dans un futur pas très lointain, une académie entraîne, forme et loge une nouvelle génération de Power Rangers. La Terre a autorisé des extra-terrestres venant de planètes lointaines à cohabiter avec les humains. La paix est toutefois de courte durée alors qu'une force guerrière extraterrestre a décidé de conquérir la planète par la force... La seule chose qui peut empêcher la destruction de la Terre et la chute de notre univers est la nouvelle troupe de Power Rangers: S.P.D.

In nicht allzu ferner Zukunft gibt es eine Akademie, in der die nächste Power Rangers-Generation ausgebildet, geschult und untergebracht wird. Die Erde hat ihre Tore geöffnet, so dass auferdische Wesen aus anderen Planeten mit Menschen zusammen leben können. Der Friede ist von kurzer Dauer, da eine auferdische Macht die ganze Planeten erobern kann, ihre zerstörerische Kraft gegen die Erde richtet. Die einzige Abwehr gegen den Untergang der Erde und des Erde anderen Universums ist die neueste Gattung der Power Rangers: S.P.D.

In de nabije toekomst komt er een academie voor de training, opleiding en huisvesting van de volgende generatie Power Rangers. De Aarde heeft zich opengesteld voor vreemde wezens van verre planeten om met mensen samen te wonen. Rust en vrede zijn van korte duur omdat een planeten-veroverende vreemde macht haar destructieve intentie op de Aarde richt... En het enige dat in de weg staat van het einde van de Aarde en de ondergang van ons heelal is het nieuwste ras van Power Rangers: S.P.D.

Nel prossimo futuro c'è un'accademia per allenare, educare ed ospitare la prossima generazione di Power Rangers. La Terra ha aperto le sue porte per permettere agli esseri alieni di distanti pianeti di coabitare con gli umani. La pace dura poco, fino a che una forza aliena conquistatrice di pianeti volge la sua distruttiva attenzione verso la Terra... E tutto quel che resta tra la fine della Terra e la caduta del nostro universo, è la nuova razza di Power Rangers: S.P.D.

Num futuro próximo, haverá uma academia para treinar, educar e hospedar a nova geração de Power Rangers. A terra abriu suas portas para permitir que extraterrestres de outros planetas coabitam com os humanos. A tranquilidade dura pouco, pois uma força aliena dirige sua destrutiva atenção contra a Terra... E tudo que impede a destruição da Terra e o fim do nosso universo, é a nova raça de Power Rangers: S.P.D.
